New Publications

[Grand Strategy For Israel](#)

Prof. Uzi Arad , Dror Strum , Prof. Zehev Tadmor

Formulation of a national "Grand Strategy for the State of Israel" which contains 3 clusters of issues: Statesmanship, global & regional developments and the Palestinian issue; Science, Technology and Education; Society, Economy and Government. A FORUM of 100 leading individuals was established to overview the project ...

[Annual Report 2016 Samuel Neaman Institute](#)

The Annual report for 2016 summarizes the Samuel Neaman Institute's activities for this year in a wide range of subjects.

[Ramzor to the North](#)

Prof. Nitsa Movshovitz-Hadar , Prof. Atara Shriki , Varda Zigerson , Dr. Ruti Segal

This is the third year report submitted to Trump Foundation, the directors of the Northern Region of the ministry of education, and of Neaman Institute.

[Energy Forum 40: Natural gas for transportation in Israel](#)

Prof. Gershon Grossman , Naama Shapira

The problem of air pollution, resulting from the emission of pollutants in exhaust gas from motor vehicles, is growing worse, in the world and in Israel - especially in city centers. Compressed natural gas (CNG) is currently considered the most promising alternative fuel because of its availability and ecological advantages. Globally, there are millions of vehicles operating on Natural Gas (NG) ...

[Excellence in Mathematics in the Ultra-Orthodox Community](#)

Dr. Reuven Gal , Yehuda Morgenstern , Yael Elimelech

This is an exploratory study, solicited by the Trump Foundation in Israel, aimed at the assessment of the potential for excellence in Math and Physics studies within the current Haredi Educational System. The study illuminates some of the recent transformations occurring in this regard, both within the Yeshivot of the Haredi men...

[Energy Forum 39: Microgrid and Smart Grid in an age of distributed production and renewable energies.](#)

Prof. Gershon Grossman , Yigal Evron , Naama Shapira

Smart Grid is under development in many parts of the world, designed to replace the conventional power supply network. It is one of the leading issues in a modern energy economy and enjoys national priorities and massive investments. In Israel too, the issue is a high priority on the national energy agenda ...

[Data Analytics approaches and tools survey for promoting advanced manufacturing](#)

Prof. Ron Kenett , Dr. Inbal Yahav , Dr. Avigdor Zonnenshain

The aim of this document is to present a variety of approaches and tools of data analytics for promoting and supporting advanced manufacturing in industry.

[R&D Outputs in Israel: Quality Characteristics of Distinct Inventions](#)

Dr. Eran Leck , Dr. Daphne Getz , Bella Zalmanovich , Tsipy Buchnik , Golan Tamir

The main goal of this study is to provide decision makers with an in-depth picture on the scope and characteristics of Israeli inventive activity during the last two decades and to examine Israel's position in the inventive arena in relation to OECD countries. ..
