

Enclosed please find a list of our new publications. You are invited to visit our web site at www.neaman.org.il, download and read the recent publications of the Samuel Neaman Institute.

Please also note the following meetings that will take place next week:

New Publications

[The "Neaman Document" - A study on Israeli Public Diplomacy: A Joint Project of the S. Neaman Institute at the Technion and the Ministry of Foreign Affairs, Israel](#)

The objective is to offer tools for the formulation of PD, based on conceptual-empirical studies as well as on the opinions of experts in the field.

[Increasing Water Supply in Israel Through Non Revenue Water \(NRW\) Reduction and Prevention of Sewage Leakage](#)

This report, addressed to the national committee of inquiry, indicates the loss of water from water distribution and leakage in the order of 164 million cubic meters per year,

[Health and Environmental Effect of Natural Gas Use in Israel - Summary and Recommendation of the SNI Energy Forum](#)

This meeting is a part of a wider program by RAND, looking into the effects of natural gas use in Israel. The forum discussed the health and environmental influences expected to rise from this major change in the Israeli energy market.

[The Struggle for Palestinian Hearts and Minds: Violence and Public Opinion in the Second Intifada](#)

This paper examines how violence in the Second Intifada influences Palestinian public opinion. we find that Israeli violence against Palestinians leads them to support more radical factions and more radical attitudes towards the conflict.

All SNI publications can be downloaded from the website, To view publication list - [Click here](#)
